

# Accubuilt's APD Van

The Flexibility, Durability, Reliability  
And Quality Demanded By Today's  
Transportation Specialists.

More and more agencies are adapting an All Purpose Door (APD) van into their daily transportation usage. Now, it's your turn to choose The Best Built Vans in the Industry.

Why an Accubuilt All Purpose Door Van?

- Lower and wider passenger entry step compared to standard OEM modified doors
- Wider and higher lift door dimensions for easier attendant maneuverability
- Highly durable, one-piece ABS interior panels offer hermetically sealed seams along with ease of maintenance
- Greater Driver visibility
- Standard driver controls for front passenger entry door
- Gas shock door checks offer gentle, easy open and close
- Flexible floor plans
- Increased interior room with lift 'tucked' into modified door opening
- Convenient attendant and ambulatory access

The Accubuilt APD modification allows attendants and ambulatory passengers to enjoy convenient entry and exit that is typically missing from standard mobility vehicles. Accubuilt's exclusive design allows attendants extra interior room for maneuverability of wheelchair passengers. The extra-wide side door along with the interior headroom, easy-access curb-to-step height and driver-operated passenger door make travel convenient for everyone involved. This is much more than your standard mobility van.

#### Choice of Lifts

Choose Ricon or Braun wheelchair lifts that meet FMVSS, ADA and VA specifications.
