▶ Simple, Spacious and Well-Equipped

► The Xpress Series | Simple, Spacious and Well-Equipped

STARCRAFT BUS
a division of Forest River, Inc.

► All new for 2011, the Xpress is a simple and spacious shuttle bus at a nearly unbeatable price. Whether you are looking to shuttle your hotel guests to and from the airport, looking for an excellent alternative to a cramped 15 passenger van or need the versatility of a lift-equipped unit, the Xpress boasts a wide-entry electric door, over 6-feet of headroom, standard seat belts and a variety of standard features in 5 popular floor plans.

Built on the tried-and-true Ford E-series chassis, the Xpress is durable and easy to maneuver. In fact, most floor plans do not require the driver to have a Commercial Driver's License. If you are seeking the simplest, safest and most efficient expression of transportation today, test the Xpress. It will move you... and your small group.

Starcraft Bus, a division of Forest River, Inc., is owned by Berkshire Hathaway, one of the most respected and financially secure companies in the industry.

The Xpress 12-Passenger with rear luggage is a single rear wheel alternative to a raised-roof van.

► Xpress Features | Features to Meet Your Specific Needs

High-back reclining seats with aisle mounted armrests and overhead luggage racks

Stylish fiberglass rear cap with rear luggage access door

Optional co-pilot briefcase rack

Conveniently located driver's switches on dash and not on engine cover

Optional driver's side modesty panel with stanchion and tinted plexiglass panel for added privacy

Wheelchair lift is standard on paratransit model
